Meetings: Bi-weekly
7:00 pm, Lilly G-126 (often, but not always)

Prerequisites: Enrollment at Purdue is our only requirement. We are a club for anyone and everyone!
No previous 4-H experience is required!

What is Collegiate 4-H: Collegiate 4-H is a student-run organization that serves the local community, promotes leadership development, and assists the Indiana 4-H program. We also give students the opportunity to socialize with people of similar interests. It is all of the fun of traditional 4-H without the projects and with more fun!

The objective of this club: "Continuing to make the best better everywhere we go!"
