

Attention Blood Testers!

The annual Indiana State Poultry Association Blood Testing Schools will be held on the following dates:

Saturday, April 16, 2005	Purdue Lilly Hall, Room 3-118 <i>On the main Purdue Campus in W. Lafayette, IN</i>	8:30 a.m. – Noon <i>This is 1st day of Purdue's Spring Fest</i>
Thursday, April 28, 2005	Purdue SIPAC, Dubois, IN	4:00 p.m. – 7:30 p.m. <i>Purdue SIPAC is on Eastern Standard time, same as Indianapolis</i>

We hope this will accommodate those who need to be re-certified and those seeking new certification.

Attendance at a blood testing school is required every three (3) years to maintain NPIP certification.

Registration, attendance, and successful completion of the test during school will ensure your certification for the next three years.

Please feel free to make copies of the Registration Form to distribute as needed in your county or club.

***Antigen is available through Veterinary and Poultry Supply. The ISPA has closed their account with Fort Dodge. Veterinary & Poultry Supply can be reached at 800-624-2061. Please ask for "Thad". To avoid antigen shortages, it would be helpful to order and pay by check early in the bloodtesting season.**
