## DISCOVER FAMILY FUN!

Whether you are young or an adult, the Discovery™ is a perfect fit. This lightweight, compact bow design is easy to handle and maneuver for archers of all ages and the grip is designed to comfortably fit a wide variety of hand sizes. The Discovery's cam design ramps up to reach the bow's peak draw weight, then holds a constant draw weight up to 30 inches.

## FEATURES

### HYPERMAX™ CAM

The heart of the Discovery's incredible versatility is the HyperMax™ cam variation that has no let-off. Without a set draw length, the Discovery™ is always the correct size and fit for any archer!

### FINISHES

Camo models are finished in Mossy Oak® New Break-Up® film-dipped camo and a black riser. Competition models are powder-coated in your choice of Red or Blue with gray limbs.
